Application No. «serial numbers»  
Amendment «serial numbers» dated November 11, 2005  
Reply to Office Action mailed «office action mailing date»

REMARKS

The Office Action of October 11, 2005, allowed claims 1-32 and rejected claim 33. By this paper, claim 33 has been rejected.

Applicants respectfully submit that the cancellation of the rejected claim resolves all outstanding issues regarding the claims and places the application in condition for allowance. Claim 33 has been canceled by this paper in order to facilitate early allowance, and this amendment should not be seen as a concession that the claim rejected in the Office Action is unpatentable over the references cited in the Office Action. Applicants reserve the right to address the substantive issues regarding the rejection of claim 33 by way of a continuation application that may be filed at a future date.

In view of the foregoing, Applicants respectfully submit that claims 1-32 are in condition for allowance. In the event that the Examiner finds remaining impediments to a prompt allowance of this application that may be clarified through a telephone interview, the Examiner is requested to contact the undersigned attorney.

Dated this 14 day of November, 2005.

Respectfully submitted,
